CHOOSE BETWEEN 2 COURSE OFFERINGS:

University Preparation & Leadership Skills

This course combines classroom instruction with hands-on activities to help students develop essential leadership and academic skills. Participants will learn to craft compelling personal statements, resumes and applications that stand out in the competitive university admissions process. Additionally, they will gain an understanding of research methods, academic writing and citation styles, and the appropriate use of AI tools.

Exploring Careers

Through a blend of classroom instruction and real-world exploration, students will explore various industries and create their career portfolios. They'll embark on educational adventures in Toronto, visiting top Canadian universities and corporations, all while connecting the learning material to their experiences.
