

Summer Camp 2026

Explore Careers & Learn about Canada

July 4th to August 1st, 2026 (4 weeks)

\$6,150.00 CAD

This program is open to students ages 14 to 17, who will complete Career Studies and Civics & Citizenship through an engaging, real-world learning experience — earning OSSD credits while developing leadership skills and a strong sense of global citizenship.

Morning sessions combine interactive lessons with portfolio-building activities, while afternoons feature supervised volunteer placements with community partners and curated excursions that bring learning to life.

Students earn Ontario Secondary School credits, documented community involvement hours, and unforgettable experiences that connect classroom learning to the world beyond school.

Key Highlights

- **University Visits:** Explore top Canadian universities and get a feel for post-secondary life.
- **Leadership Development:** Participate in team-based activities that foster confidence, collaboration, and personal growth.
- **Career & Civics Learning:** Experience Ontario-curriculum, project-based lessons that apply classroom concepts to real-world situations.
- **Volunteer Experience:** Engage in supervised community service projects and receive official documentation for community involvement hours.
- **Career & University Readiness:** Create a professional résumé and personal pathway plan, practise interview skills, and develop life skills like goal-setting and financial literacy.
- **Earn OSSD Credits:** Successfully complete both Career Studies (GLC20) and Civics & Citizenship (CHV20) courses — officially recorded on your Ontario Student Transcript (OST).
